Ce cours m'a conduit à reconsidérer ce que je pensais déjà savoir
The teaching style is a little bit difficult for me to understand.

Very interactive teaching method.

This professor is the best professor I have had in my process as a student at the university, I find him interesting and well prepared for teaching classes.

The course is great with a passionate teacher. As for potential improvements to the course, the inclusion of more examples would be great as the material might be a bit abstract sometimes.

I really loved/appreciated the course and the professor was perfect. I wanted to thank the professor also for uploading the videos before tuesday, it was really helpful. Thank you.

Very well presented.

Un peu confus

Explications claires avec les vidéos publiés, professeur disponible pour répondre à nos questions et contenu pertinent :) Toutefois, en tant
qu'étudiant.e en passerelle, je mets beaucoup de temps à assimiler le cours - me prend beaucoup de temps pour un cours de 3 crédits. Mais le cours est extrêmement intéressant.
